

SLO STEERING COMMITTEE MEETING
January 21, 2010 3:00pm -4:30pm
Minutes

Attendees: Marisa Spatafore, Coleen Lee-Wheat, Anne Argyriou, Jackie Reza, Jim Haynes, Anu Khanna

- I. Assessment Liaison flyer was reformatted. Distribution will take place with hardcopies to mailboxes, emails through the office of staff development. Coleen will attend the Dean's meeting to ask for recruitment help.

- II. Institutional Assessment Overlay to OBPR
Coleen presented a draft of a power point.
Key points of discussion:
 - a. The concept of 5 major assessment groups.
 - b. "Assessment spheres" will replace the term "programs". The new name will decrease the confusion between preexisting programs and the ACCJC designations.
 - c. The concept of mapping the ICC's to course SLO's is already accepted by the ACCJC, so this model should be shared with the Academic Senate. Coleen will present it to the Senate officers. The group will lead a discussion at the first available Academic Senate meeting.
