      Re: Request for a Change of the Course Title
      Effective fall 2026

      Dear Members of the Curriculum Committee,

In order to align the course title of ESL 5 with the course title of EWRT 1A and other ESL courses, ESL Department would like to change the course title of ESL 5 from "Advanced Composition and Reading" to "Academic Reading and Composition".
If you have any questions about this request, please contact me at

Hua-fu Liu, IIS Division Curriculum Rep

Subject: ARTS 2H and INTL 21 , ARTS 2J and INTL 22

The IIS Division would like the following curriculum changes to go into effect Fall 2026:

1. Make ARTS 2H the parent course in CA, remove cross-listing of INTL 21
2. Make ARTS 2J the parent course in CA, remove cross-listing of INTL 22

The minimum qualifications for these courses are Art History, not Ethnic Studies. These courses
serve as elective courses for the Art History AD-T and hence they will not meet the core competencies for Ethnic Studies courses. Both the IIS and CA divisions approve these changes.

Thank you for your assistance with these changes.

c. **APPROVED, effective Fall 2026:**
Date: 3/7/25
Re: Remove of Cross-Listing in HIST
Effective fall 2026

We would like to remove the cross listing of HIST 18A for AFAM 12A and HIST 18B for AFAM 12B. The The prevailing state climate discourages the cross-listing of Ethnic Studies courses, especially for courses that are looking to satisfy the Cal-GETC Ethnic Studies general education requirement.

   e.   Proposal: Hybrid Modality for Curriculum Committee Meeting – Singh

In alignment with the Brown Act requirements and to enhance accessibility, the Curriculum Committee is invited to discuss and consider adopting a **hybrid modality** for our currently in-person meetings. This would allow committee members to participate either in-person or remotely.

If approved, meeting invitations would include the following statement:
"This is the regular meeting of the De Anza Curriculum Committee. For the current agenda, please visit [insert link]. Agendas will be posted in accordance with the Brown Act.
This meeting will be conducted in hybrid format, offering both in-person and remote attendance options (remote attendance must occur from within District boundaries). Voting members attending remotely must complete a participation form by noon on Wednesday prior to the meeting, which will be recorded in the meeting minutes as required by the Brown Act."

Committee notes would reflect attendance accurately, distinguishing between in-person and remote participation.

APPROVED – (M/S/C—Fritz/Wethington)

   f.   Division Curriculum Representative Training – Singh

- Singh is putting together a slide deck and a video that will come to committee for review before posting on the website.
