Blocking students from entering the bus and forcing them to vote, trying to convince students to change their votes.

3. List all the facts that substantiate your claim. Attach any documents you wish to have considered.

I was waiting for my ride in at the transit center, a group of candidates came up to me to ask if I have voted, I said yes, and they asked me if I would change my vote. I felt uncomfortable, because that is not how elections work. They were running around campus trying to force their campaign on everybody walking by.
