- Angelica M, Shaila R, Kitshia, Jocelyn V: raised concerns regarding undocumented students during the Resource Fair at De Anza, about something that happened in the career fair last week. Armed border patrols were standing behind the HEFAS table which brought anxiety and

Shared Governance Reports

- Adrian S: Arts on Campus met on Monday 5/22/23. The Year of the Rabbit sculpture project is coming along really nicely. Most of the artists who received their sculptures from the first shipment have completed or are nearing the completion of painting their sculptures. They should be installed soon. The second batch of rabbits should be arriving this weekend so the remaining artists can paint them. Completion is expected one month from delivery. Also, the art project request form draft has been completed and should be finalized soon. Lastly, we

reviewed the committee budget forms and came to an agreement about what we will ask for. We do have to check in with the college about the cost of art insurance though.

- Amrit G:
 - EAC worked together to fill out the annual shared governance assessment.
 - Shaila presented the last part of the cultural humility training, where we reflected on what we were working on this last year and held a self-reflection on the goals we set earlier this year.
 - Lastly, we wrapped up the year with a group photo and a potluck.
- Isaac T: Measure G Task Force met on Friday, 05/19. We discussed mainly on purposing and finalizing a draft letter sent to President Holmes, in response to Vice Chancellor Cheu's email for a deadline for recommendations from the Task Force. The task force also planned and scheduled on-campus visits to the following and possibly other spaces, such as VPAC, Flint Center, A Quad, etc.
- Hyon Chu YB: we had an opportunity through RAPP to submit position request form. We have been trying to get the college to pay for Maritza's position. The position was identified and the only way we were able to save it was through DSAG funding. I don't know what the timeline process is for how they're going to review and when that will be selected. But I'm very optimistic that, that, hopefully, the college will permanently fund her position and then that way next year. We can take that money back and put it back into, you know, utilizing those funds for, student services and other programs.
- Izat R: yesterday we met and we set up into groups and we're meeting pretty consistently to actually evaluate those forms already.

Internal Committee Reports

- Alysa N:

 - Improvements to the Resource Fair for the future

- Francis C: ES met and discussed E-bike eligibility criteria
- Amrit G: Making posts for pride month which will be brought into Senate next month
- Asiya S: Programs and events met and talked about the final de-stress. For Cultural Day we need help with the balloons at 5 pm.
