

Dear Donor,

Thank you for selecting me as the recipient of your scholarship. As you know college is expensive and with no family support it is very worrisome figuring out how I will pay for my classes, my books, school supplies and even rent and food. Winning your scholarship has helped me tremendously, it has helped me to worry less and be able to focus on my studies more. I am very thankful for your support not only financially but emotionally as well, to know that you believe in me is a great gift and motivation to keep believing in myself as well. Thank you for helping me become more successful in my college journey.

Best regards,

Merrissa Hart
